"Underneath are the Everlasting Arms..." Deut 33:27

May 15, 2008

Dear friend of the Harbour Light and ARMS,

These are exciting, busy, and yet fearful days for the ministry of the Harbour Light of the Windwards! The busy and exciting revolve around all that the Lord is accomplishing in the lives of the staff. John and Sharon Steel have recently arrived in Carriacou to begin their ministry at the station. God provided for them in a marvelous way. They still need to sell their home in Greenville, SC and find a permanent place to live on the island. Their container should arrive in the next few weeks. Do let them know that you are praying for them by dropping them a note on email at jsshlight@spiceisle.com.

John and Karen McPherson attended the graduation of their youngest daughter from college during a three week visit to the states.

The Randy Cornelius family will take a short 10 week furlough this summer to visit family and supporting churches. They have a few slots open for additional meetings. Please contact them or me if you would like to have them in your church.

Pat and Janice Murphy are allowing the Cornelius family to use their motor home for travel. The Murphy's are planning to be in Carriacou to help complete the basement of the mission house during that time. Pat reports some very good meetings in Maine in recent weeks.

Jerry Walker is in Micronesia for several weeks to fill in for a missionary pastor during furlough.

These are also days of some concern and uncertainty. Most of us are paying much more at the gas pump than we did last week or last month. The same is true for the Harbour Light. Fuel costs now exceed \$1,000 per week. As fuel costs increase, so do the costs of food and every other commodity on the islands. The station and all of the staff members keenly feel the effect in their budgets. We are looking for ways to cut costs and be even better stewards of the Lord's resources. One long term means would be the installation of a generator powered by the wind. The staff is looking into the possibility. Any input would be appreciated.

David prayed in Psalm 86:11, "Teach me thy way, O LORD; I will walk in thy truth: unite my heart to fear thy name". Every believer recognizes that many things can distract us from God's truth and instruction. Do pray that the staff will have a united and single focused heart as they exalt Christ and encourage God's people through the ministry of the Harbour Light.

In Christ.

Dr. Doug Garland
ARMS President
