

Harbour Light of the Windwards

Carriacou, Grenada 473/443-7628 harbourlight@spiceisle.com

August 6, 2008

Dear fellow Travelers,

Greetings from the middle of the USA – Kansas! Thank you for your prayers for me and my family as we have been traveling here in the USA now for several weeks and have driven about 7000 miles visiting supporting churches and family. We have had wonderful meetings and great times of fellowship with our brothers and sisters in the Lord. We have had several problems with our vehicles along the way but the Lord has protected us and provided for us in many ways. I will fill you in on all that when I return to Carriacou at the end of August, Lord willing.

Back in Carriacou things have been very busy! The Littles continue to work on their house as they have time and money. The Steels have settled into their "new" home in Windward and are fitting into the ministry well. The Louis, McPhersons and Mama C have been busy but are doing well. A team from right here in Kansas went to Carriacou in July to work on finishing the rear retaining wall and held a VBS at Open Door Baptist Church. They really worked hard and in a few days nearly finished the wall! Shortly after the team left, the Murphys arrived in Carriacou for the summer. They shipped their container and it arrived safely and was unloaded – a mammoth job! They are now working on getting everything sorted out and in its place. Later this month a small team will arrive to install the cabinets in the basement of the mission house – where the Murphys will be living. Lord willing, this will completely finish the work on the basement and it will be ready for the Murphys to move in. They will be returning to the USA in September to complete their deputation. Pray that their support will come in quickly so they will be able to return full time in the new year.

Pray for wisdom as we consider a proposal for a wind turbine that has been offered to us. Pray that if it is what God wants us to have, that He will provide and guide as we look to Him for direction. We know He has a plan to provide for the station and we want to be in the center of it. God bless you for your fellowship in this wonderful work of...

Spreading the WORD,
Randy Cornelius & Staff
Phil. 1:9-11
