Dear fellow believers in Jesus Christ,

Greetings! I pray that the God of our Lord Jesus Christ, the Father of glory, may give to you a spirit of wisdom and of revelation in the knowledge of Him. Ephesians 1:17

Thank you for your continued prayer and support for God's work through the Harbour Light. We read your letters with great pleasure and thankfulness to the Lord for all He is doing in your life through the programs! What a blessing it is to fill homes and hearts with such godly programmes, Bible teaching, music, drama, and more! We are planning another "Radio Bible Conference" for the first full week in December. We will be using messages from the Whetstone Conference held at Mt. Calvary Baptist Church this past June as well as messages from the 2007 Lighthouse Baptist Fellowship Conference held at Grace Baptist Church in Barbados this past July. We have also begun work on our Christmas programming and hope to have our 2007 Christmas Programme Guide ready to mail out by the end of this month. Please request a copy or look for it on line so you won't miss out on any of our "Christmas gifts" to you!

The Little's house project has slowed down for now. However, they continue to "break stone" and in preparation for casting the floor. They have the block for the walls on site so once the floor is poured they will be able to continue with God's help. The owners of the place they are renting now would like them moved out in the near future. Pray that God will bless them with the finances they need to continue and finish. The Ramdhanies have settled in well to the routine here and are a great blessing to us. The Murphys have their "home on wheels" ready for action. They have acquired many items that they will need or that the Harbour Light will need and may ship a container with these items in the next few months. Pray that God will send them the right buyer for their house. Their goal is to be doing full-time deputation this fall. Their support level is nearly fifty percent. Pray that God will direct them to those who He wants to support them so they can come fulfill the ministry God has given them here. The Steels are currently "on the road" to visit and present the Harbour Light to several churches and to minister to and edify God's people by their testimony. Their support level is now over the fifty percent mark! They continue to plan toward coming in early 2008. You can watch the progress of both the Murphys and Steels at our mission website, www.everlastingarms.org

Thank you for your prayers for us. We need a spirit of wisdom from the Lord as we choose programmes, interact with listeners and act as stewards of the equipment, resources and air time God has given us. Thank you for your encouragement and support! The Lord is using His Word greatly in the hearts of each one who tunes in – just as He promised He would! Many of them contact us to tell how the Lord is using the programmes in their lives to draw them closer to God. They also express their sincere thankfulness and appreciation to the Lord for raising up this beacon of light to shine into their hearts and homes. Their watch word is "Don't change!" (Don't compromise) As we grow in our knowledge of the Lord and His Word, the programming will get cleaner and brighter to the Glory of God!

Spreading the WORD,
Randy Cornelius & Staff
