

April 25, 2008

Dear Family and Friends,

Christian greetings to you from Carriacou! Just a quick note to thank you for your prayers, your support and to give you an update on our furlough plans. By God's faithfulness, we have been in Carriacou for over 18 years now, and in that time we have had two official furloughs. Our first one was 8 months long, our second was 7 years ago and lasted 4 months. It's about time for another furlough! This one will be just over two months long. We don't have anything against furloughs, it is just how the Lord has directed our steps.

We plan to leave Carriacou on June 21 and return August 30, Lord willing. The Lord has provided for our airline tickets and has given us a motorhome to use! The Murphys bought a large motorhome last year for them to use on deputation and for us to use for furlough. However, their support is not completely raised. Since they recently sold their house in Georgia, they were using their motorhome not only for deputation but for their home. Sharlene's mom suggested that they come here while we use their motorhome. I did not think that would be possible because they would have meetings which they should not cancel. Ten minutes later Pat called. When I asked if they had any meetings between the above mentioned dates, he found that they did not! They thought and prayed about it and concluded that God had kept those dates clear so they could come here to fill in for us while we were on furlough using their motorhome. We believe it is just the motorhome we have been praying for - but we did not know it until now! Wayne and Jane Camfield (who have been here on many mission teams) have invited us to stay with them on their sheep farm while we are in the Greenville area. Our needs are being met, praise the Lord! We still need a small pop-up type camper to tow with the motorhome to provide extra sleeping space for our family including our adopted Carriacou daughter, Roxanne. She accompanied us on our last furlough. We also need a 12 - 15 passenger van to use for the first three weeks in Greenville before we start our reporting trip. Please pray with us for God's provision of these needs. We are looking forward to another fantastic furlough filled with fun fellowshiping with friends and fraternizing with family!

We will return to Carriacou just in time to get in gear for the 2008-9 school year. Pray with us for God to send us two teachers and provide for more adequate school facilities. We've seen the Lord answer some pretty big prayer requests in the last year. We are confident that He will provide for the school as well. Lord willing, the school will be officially registered by the time we get back from our furlough!

May the Lord find us (you, too!) faithfully doing His business as we rapidly approach the end of this age.

Spreading the WORD,

Randy, Sharlene, (Caroline at BJU) Mary, Anna, Katrina, Angelia, Peter, Micayla, Isaiah, Joseph & Suzanne
